- 2023 Program Challenges

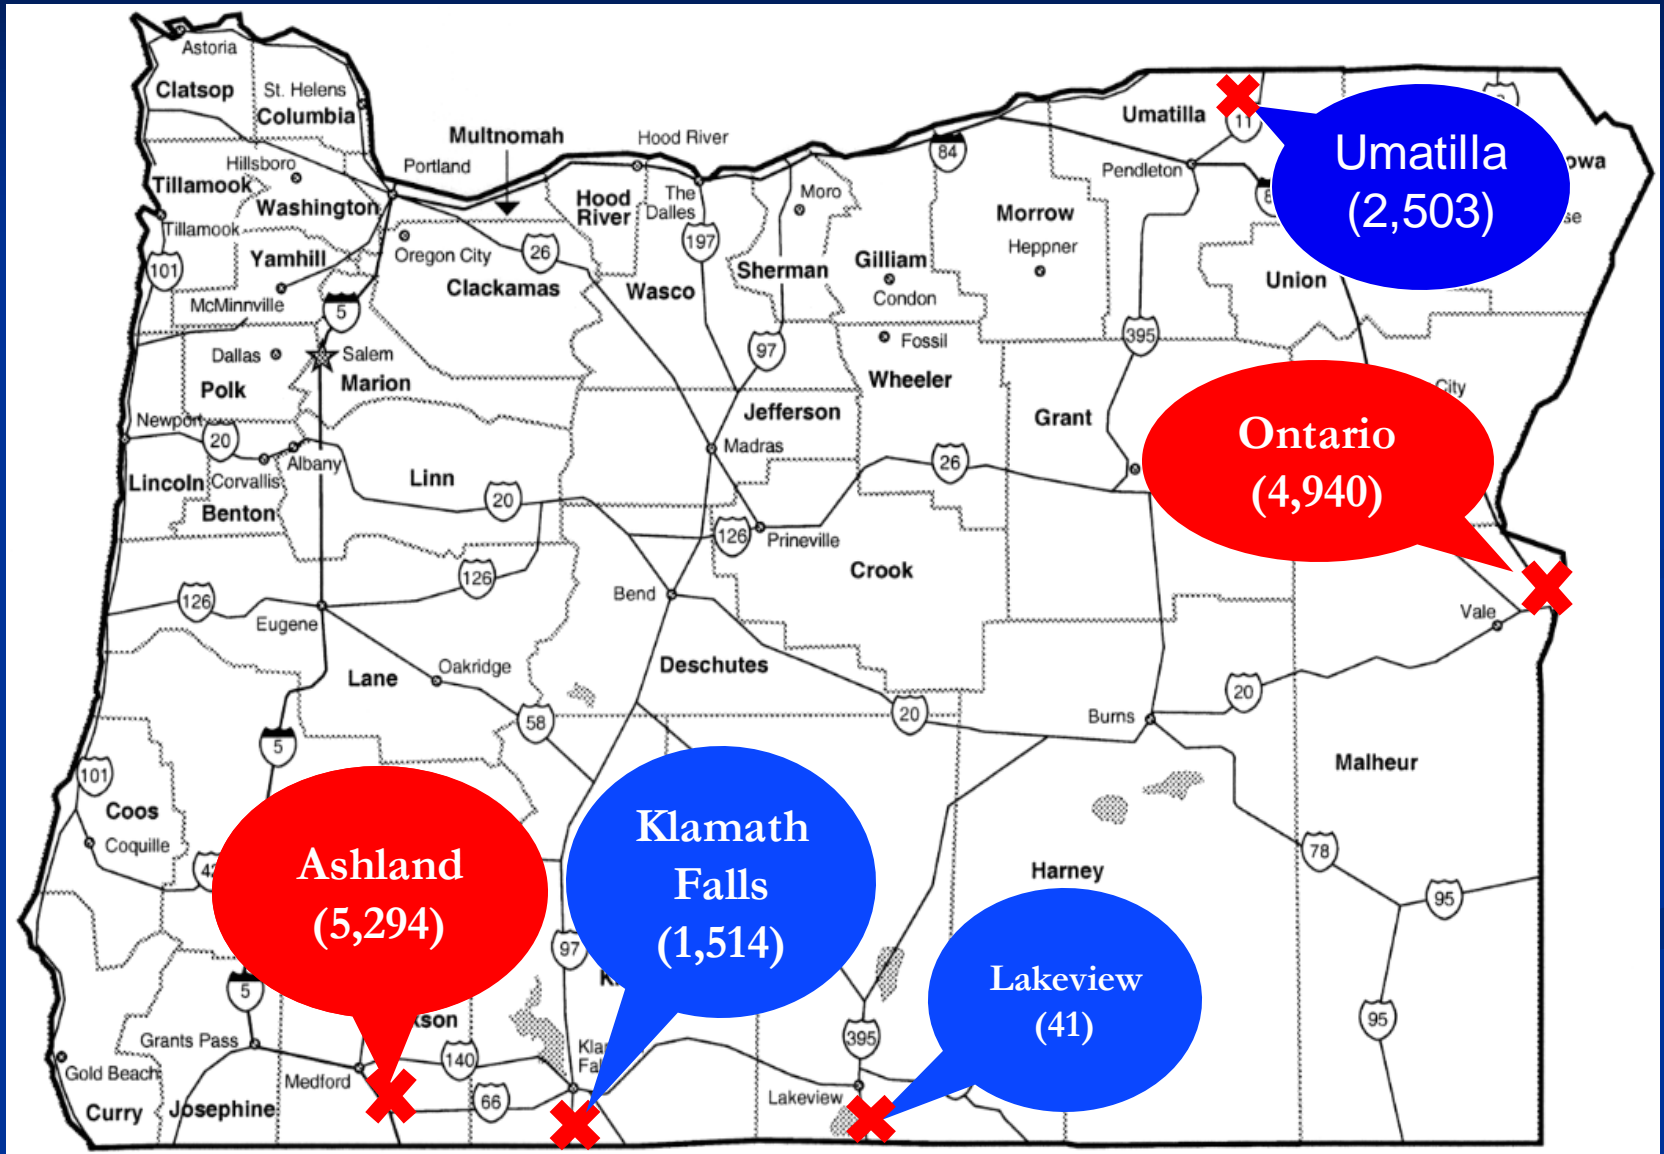

Year	Inspections	Quagga/Zebra Mussel	Other Biofouling
2010	2,852	0	19
2011	3,614	5	73
2012	4,675	18	32
2013	7,441	17	228
2014	11,490	17	193
2015	12,953	12	269
2016	16,825	17	284
2017	21,026	16	283
2018	28,190	11	354
2019	26,875	16	384
2020	23,043	12	264
2021	19,747	11	228
2022	14,462	6	308
2023*	3,041	8	71
AIS Totals	196,234	166	2,990

Summary of Winter Season Inspections at Ashland and Ontario

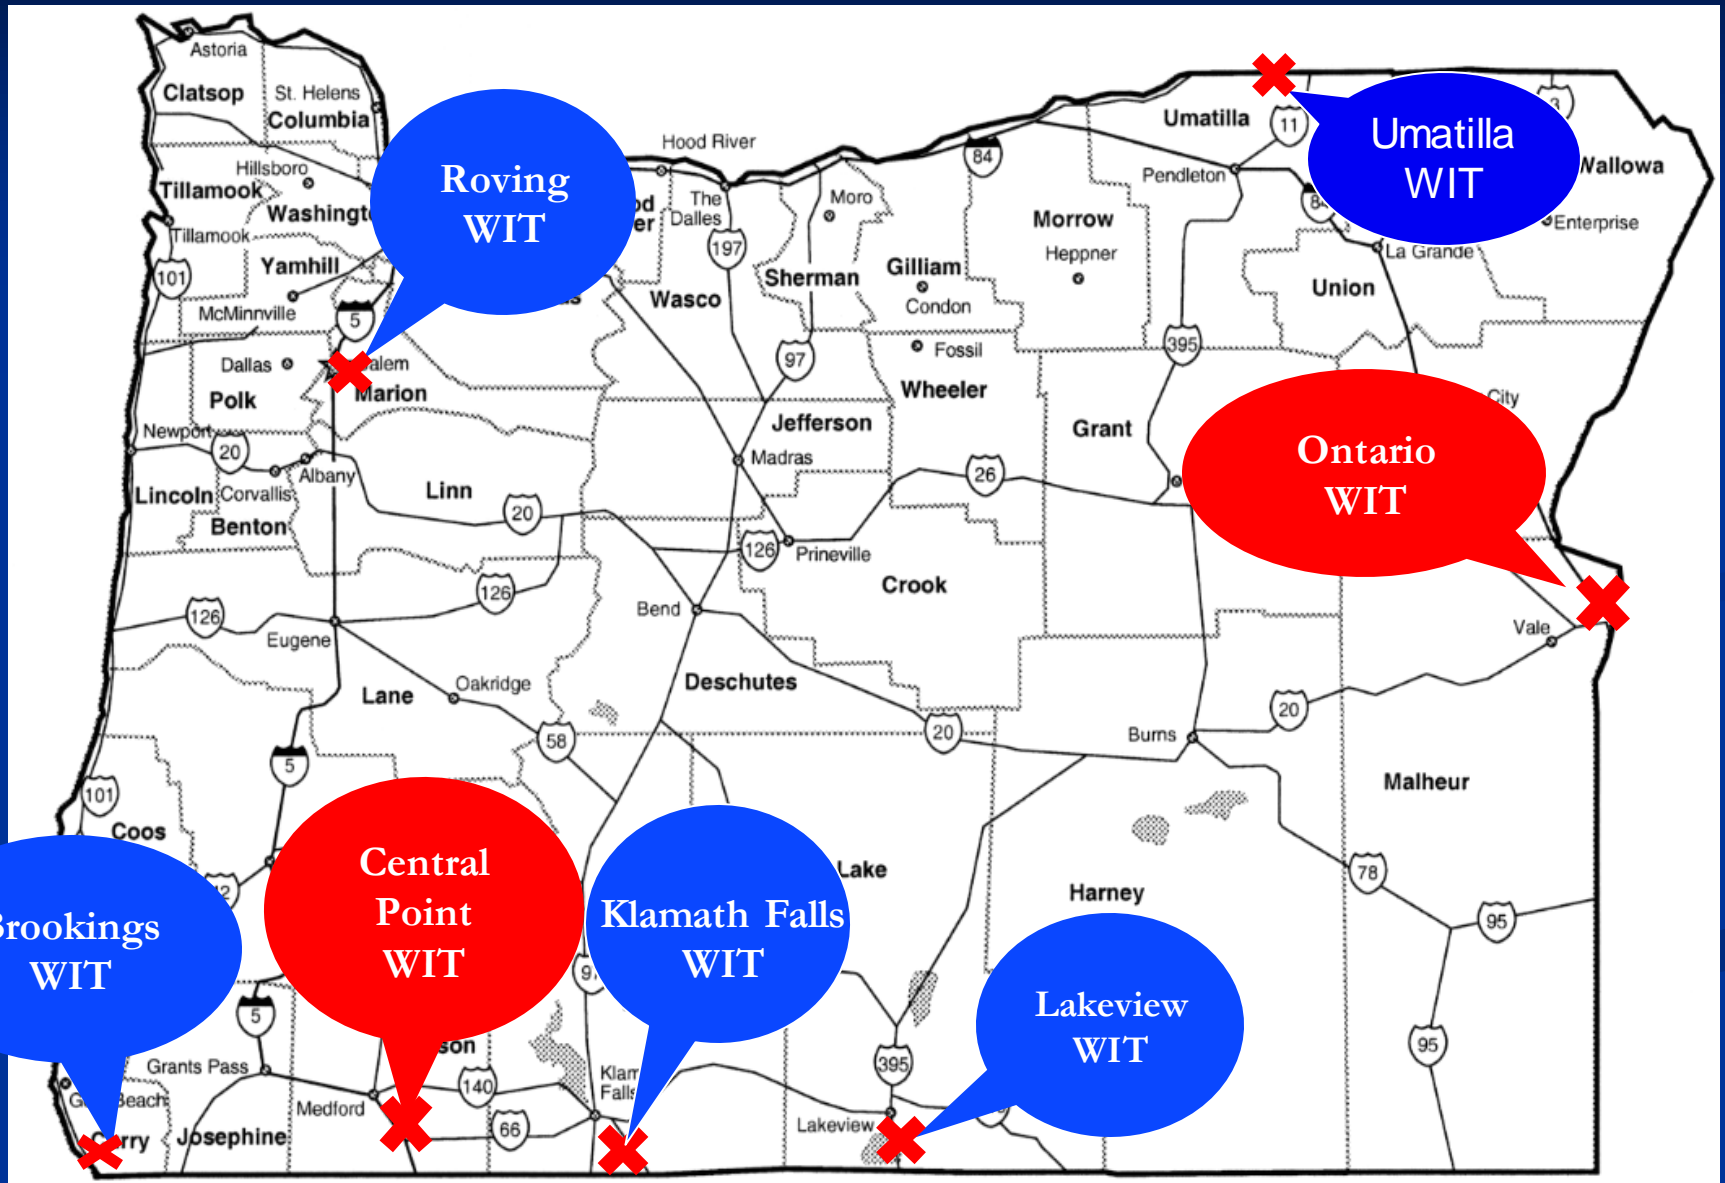

Year	Inspections	Quagga/Zebra Mussel	Other Biofouling
2017-2018	1,917	4	27
2018-2019	1,580	1	41
2019-2020	1,639	2	51
2020-2021	1,524	3	19
2021-2022	1,562	4	36
2022-2023	1,204	2	32

2022 Watercraft Inspections Stations

2023 Watercraft Inspections Stations

2023 Program Challenges:

- Recruitment was Excellent! 😊
- Low response to interview invitations
- No show for interviews
- Competition for Employees
 - Accepting our offer; last minute turning offer down
- Employee Housing
