
CRITFC ANS Update

- Columbia River Basin AIS Team Meeting
- Springhill Suites Park Center
- Boise, Idaho
- June 6-7, 2023

2023 Events and Activities

- Gave Northern Pike presentation on April 6, 2023, Coastal ISEP Work in Astoria, Oregon
- 2 presentations for 2023 Spring Invasive Species Workshops and Webinars for Tribal Audiences
- Field work prep for 2022's CRITFC's Northern Pike Monitoring project funded by Bureau of Indian Affairs (BIA)
- Completing subcontract with WDFW Molecular Genetics Laboratory for analyzing eDNA from NP Monitoring efforts
- Received notification in May 2023 from BIA at CRITFC received additional funding for NP Monitoring in to 2024.
- Other plans are for Outreach and Education efforts with CRITFC Police and a Tribal Fisher Expo this summer.
- Provide support and outreach to the tribal staff of our member tribes concerning invasive species concerns.
- This concludes my update and if time allows, I can answer any questions.
